

# Greetings from the Mayor/Council

Residents of The Township of Norwich and surrounding communities,

This guide provides you with a multitude of activities that are available within this municipality and we are extremely pleased with the wide variety of opportunities that are being offered for the fall and winter season. The staff works diligently to keep our facilities up to date and we hope that we can provide activities for all age groups of citizens. The three museums within the township share a wealth of activities that are very informative. Whether it be in the computer lab at the Norwich Community Centre, square dancing at Oxford Centre Hall or a family gathering at Woodlawn in Otterville, it is our hope that you will use this guide to meet new people and enjoy a healthy and active Fall and Winter season.

*Sincerely, Donald Doan Mayor*
